Disclosure

All persons in a position to control the educational content of this activity have made disclosure of their relevant financial relationships with industry. The CME Provider has a mechanism in place to identify and resolve any actual or potential conflicts of interest.

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through sponsorship of Rush Medical College. Rush Medical College is accredited by the ACCME to provide continuing medical education for physicians.

Vignette Competition

The Vignette competition is open to residents in a combined training program. The details will be available at the AMP website.

Medical Student Activities

The **Poster session & Medical Student Reception** at 5:30 on Friday evening, and the **Panel Discussion and Lunch Career Counselling session** would be of particular interest to Medical Students. They afford opportunities to meet residents and faculty and learn about different training programs.

Martin Fenton Award

The Fenton Award is presented annually to a senior resident in a combined training program who has shown outstanding performance through service, scholarship or leadership in the field of integrated care. The details of the nomination and selection process will be available at the AMP website.

Poster Session

The poster session is open to all registrants to the meeting. Posters addressing scientific findings or educational activities at the med-psych interface are welcomed. Details regarding abstracts and submission deadlines will be posted on the AMP website.

Conference Location

Rush University Medical Center
Armour Academic Center
600 S. Paulina
Chicago, IL 60612

Parking

Details of parking for the meeting will be posted on the AMP website as below by July 15 2009

Housing

Housing options will be posted to the AMP website by July 15 2009.

Cancellation Policy

All but \$25 of the registration fee is refundable if inability to attend is made known on or before September 15, 2009.

Additional Information/Website:

Please note that additional information including:

- Further program details
- Directions to meeting facility
- Parking information
- Additional housing options

Will be available at the Association of Medicine and Psychiatry Website:

The Association of
Medicine & Psychiatry
and Rush University
present

**Medicine &
Psychiatry-**
Integration at the
Bedside

Rush University Medical Center
Chicago, Illinois
October 2nd and 3rd, 2009.

Association of
Medicine and
Psychiatry

RUSH UNIVERSITY
MEDICAL CENTER

Purpose

Attendees will learn about integrating medical and psychiatric care to achieve the best outcomes for patients in varied settings, with a special focus on primary care.

This is also a national forum for residents and faculty of Combined Med-Psych and Family Med-Psych training programs to collaborate and develop mentoring relationships with colleagues.

Intended Audience:

- Primary Care physicians and health care providers
- Trainees and practitioners of integrated Medicine/Psychiatry and Family Medicine/Psychiatry
- Medical/Osteopathic Students interested in combined residency training and practice.
- Psychiatrist caring for the medically ill

Program Highlights:

- Psychiatric CME tailored to the needs of primary care providers
- Updates on emerging **device-based treatments** for mood and anxiety disorders
- **Gender Specific problems** at the interface of Medicine and Psychiatry
